

Version 13.9.1 (July 15, 2022)

The NASA Global Change Master Directory (GCMD) staff is pleased to announce the release of the GCMD Keywords Version 13.9.1. Please find below a table of the keywords. All keywords are new except where noted as Updated. Please post any questions about this release to the [GCMD Keyword Forum](#).

The keywords help facilitate the classification and discovery of Earth Science data by providing a rich vocabulary for characterizing the data. The GCMD keywords are used by hundreds of data providers worldwide for categorizing the ~51,000 records stored in the [Common Metadata Repository](#).

For more information about the keywords and how to access them, please visit the [Keyword Landing Page](#). Questions about the keywords can be submitted to support@earthdata.nasa.gov or directed to Valerie Dixon at valerie.dixon@nasa.gov.

GCMD Keywords Version 13.9.1
