Meeting Notes

Technical Review - Recap:

- Good praise from PI.
- Good work done and well presented.

Other Travel:

- Outside of SETIM? - Not at this time.

Esri Meeting Recap:

- Meeting went well, multidimensional MRF investigation
- Esri to provide scripts and workflow.

OPeNDAP Meeting:

- Joe Lee may be unavailable for the meeting due to travel.
- Start with defining the requirement
- Kent is interested how we maintain the OPeNDAP at ASDC

Demonstration:
