

# Your HOW-TO Guide

 [Get some tips](#) on using this template

Table of Contents
<ul style="list-style-type: none"><li><a href="#">Requirements</a></li><li><a href="#">Instructions</a></li><li><a href="#">Tips &amp; Warnings</a></li><li><a href="#">Related</a></li></ul>

Purpose
<p><i>This section should provide the overall purpose of the HOW-TO Guide. (e.g. intended audience, lesson)</i></p>

## Requirements

- This short section should outline the requirements of the reader to use the guide.*

## Instructions

- This section provides step-by-step instructions for the reader to follow to perform the particular act described in the HOW-TO.*

## Tips & Warnings

- List any particular common difficulties that the reader may come across*

## Related

- Link to any related HOW-TOs or External Links*
- One way to improve this template is by replacing "Related" with either the [related-labels](#) or [contentbylabel](#) macro*
