

HEG Supported Products

The HDFEOS products listed below have been successfully tested with the HDFEOS to GeoTiff Conversion Tool (HEG). Additional products will be added to this list as they are released to the public and tested.

Note that there may be additional products which have not yet been tested, but which are supported by HEG due to their similarities to products below. Please contact the HEG development team if you encounter problems using HEG with the data products below or with any similar products.
