

ESDSWG Meeting - GSFC Visitor Badges

Anyone attending the meeting who does not have a NASA-issued PIV badge will need to go to the security office at the main gate (building 9) to pick up a visitor badge before they can access the GSFC campus. Please make sure that have a government-issued ID with you and that you allow time to pick up your badge.

Note that this is a change to previous information. Visitor badges will be issued at the main gate security office. DO NOT go to the Visitor Center.
