

2015 ESDSWG Meeting Arrival Logistics

Sessions start at 9:00 AM on Tuesday March 24 in the Building 8 Auditorium on the second floor.

Meeting Agenda

If you already have access to the GSFC campus via a NASA PIV Badge then please go directly to Building 8 on Tuesday morning. Meeting attendee name badges will be available at the entrance to the auditorium.

Special event visitor badges have been reserved for US Citizens and Permanent Residents without a PIV badge (see list below). You will need to collect your visitor badge from the Visitor Center (Building 88) near the South Gate and then make your way to Building 8. Badges will be available from 8:15 AM. Please bring your government-issued ID and Permanent Resident Card, if applicable. Registrants are instructed to only park in the marked parking spaces and not to park in the loop. Lucia & Vickie will stay until all badges have been given out or until 9:45 AM on Tuesday, whichever comes first. At 9:45 any remaining badges will be taken back to Building 9 security office at the main gate for folks who arrive late.
