

EDSC 2018 Priorities

So many great things to work on next, help us understand where you'd like us to start by voting below. You can also edit the page and add a row to the table if we're missing your top need. Voting will only be available for a short period of time, so please vote now!

If there is something that you feel is important but not listed, you may edit the page and add that to the table.
